Dear Sonja

**2024 National Body Development Grant
Queen of the Green/Tee off Istria**

The R&A Foundation is the charitable arm of The R&A. It exists to support organisations and programmes globally which develop golf and the many ways the game benefits individuals, communities and society. It is funded by philanthropic donors worldwide and the proceeds of R&A activities, including The Open. To find out more, visit www.randa.org/foundation.

This letter is to advise you that The R&A has awarded the Croatian Golf Association a National Body Development Grant (NBDG) of £10,000 for 2024 towards the above projects.

To enable payment to be made, please (i) sign below and return a copy of this letter for our records, and (ii) complete and return the BACS form attached. Please note, this award is open for acceptance for a period of 60 days, after which it will be withdrawn.

I would draw your attention to the following points:

1. You will be required to complete and return a report on how the NBDG has been used later in the year and we will contact you about this in due course.
2. When reporting to us, you must report on the project that you described in your NBDG application and you will be assessed and measured against the KPI's contained in that application.
3. We would draw your attention to The R&A Award Guidelines attached, particularly the guidance relating to R&A recognition.

May I wish you and the Croatian Golf Association every success for the year ahead.

Yours sincerely

JACKIE DAVIDSON
